

Warranty Disclosures

INTERIOR COVERAGE

Warranty coverages for interior work commence date of job completion, and cover premature flaking, peeling, bubbling or cracking of painted surface. Area(s) determined to be defective will be scheduled for repair, and repaired at no additional cost to customer. Upon submittal of claim, warranty inspection will be scheduled to determine the location and severity of damage(s), and best course of action for remediation. Area(s) approved for repair will be repaired at the site of the defect to ensure proper seal and bond of the surface. Paint repairs made may or may not utilize same products originally used at time of original service. Warranty covers approved repairs only, and additional work will be subject to additional labor and materials costs to customer. Warranty does not include paint fading, scuffing caused by normal wear and tear, or dents caused by objects damaging surface. Coverage includes labor and materials cost towards repairs only, and is not subject to cash refund or reimbursement to customer. Warranty will be void with repairs made by customer or another third-party contractor within the warranty period. Extended product warranty will be in conjunction with manufacturer's warranty.

EXTERIOR COVERAGE

Warranty coverages for exterior work commence date of job completion, and cover premature flaking, peeling, bubbling, cracking or blistering of painted surface. Area(s) determined to be defective will be scheduled for repair, and repaired at no additional cost to customer. Upon submittal of claim, warranty inspection will be scheduled to determine the location and severity of damage(s), and best course of action for remediation. Area(s) approved for repair will be repaired at the site of the defect to ensure proper seal and bond of the surface. Paint repairs made may or may not utilize same products originally used at time of original service. Warranty covers approved repairs only, and additional work will be subject to additional labor and materials costs to customer. Warranty does not include paint fading, external damages caused by the natural elements, or external abuse to painted surface. Coverage includes labor and materials cost towards repairs only, and is not subject to cash refund or reimbursement to customer. Warranty will be void with repairs made by customer or another third-party contractor within the warranty period. Extended product warranty will be in conjunction with manufacturer's warranty.
